Instructions for Completion
I-129 Petition for a Non-Immigrant Worker
Export Compliance Questionnaire

Section 1 – Demographics and Questionnaire – ASU Sponsor to Complete

Question 1 - If applicant will participate in any research activity list all proposal and/or award information and describe the research activity; **also include any non-sponsored research activity.**

Q2 – Select activity type from list.

Q3 – Identify sensitive activity and explain as appropriate.

Q4 – If activity is proprietary, confidential or sensitive identify and describe.

Q5 – Describe any export-controlled activity.

Q6 – Provide any additional information as appropriate.

ASU Sponsor and Department Chair or Unit Director both sign.

Attach copy of Applicant's Government ID with Photo.

Attach Applicant Resume or CV.

Section 2 – Institutional Review

KE's Pre-Award Services Office (KE Pre-Award) will provide a review for Export Control determination and provide the required institutional certification. KE Pre-Award will review the questionnaire and any supporting information and provide a determination based on a thorough review. If an Export Control license is required, a TCP will be identified. KE Pre-Award will work with the ASU Unit and applicant and will provide the Questionnaire and Institutional Certification to ISSC. KE Pre-Award will retain the necessary records to support the determination.
