Announcements
MyDisclosures portal is Live! Emails "FROM: no-reply@huronclick.com" with "Subject: An administrator has requested an update of your COI Disclosure Profile" are automated from the ERA system and not phishing. Please click on the link to update your COI Disclosure Profile.   For any questions contact MyDisclosures@asu.edu.   More information can be found on the COI MyDisclosures page.
ASU IRB has developed a FAQ document to assist researchers with commonly asked IRB-related questions. Researchers are encouraged to review this document and may contact ASUIRB@asu.edu if additional clarification is needed.
ASU IRB has implemented a Wizard tool to streamline IRB review process for studies that fall under one or more exempt categories. ASU researchers can gather more information about the Wizard tool in the link below to see if their study is eligible for a determination through the Wizard tool and the next steps
ASU IBC has developed a FAQ document to assist researchers with commonly asked IBC ERA-related questions. Researchers are encouraged to review this document and may contact IBC@asu.edu if additional clarification is needed.
MyDisclosures portal is Live!   For any questions contact MyDisclosures@asu.edu.   More information can be found on the COI MyDisclosures page.
CITI On-Demand Webinars - CITI Program offers over 100 free and on demand webinars to ASU faculty, staff, and students. Webinars cover dozens of great research-focused topics. CITI is known for already providing COI, IRB, and RCR training for the ASU research community.   Learn more about the CITI free webinars and how to access them.
